Call for project proposals - The Western Balkans SALW Control Roadmap Multi-partner Trust Fund

The Western Balkans SALW Control Roadmap Multi-partner Trust Fund (MPTF) is accepting applications for its first regular call for project proposals from the eligible implementing entities - UNDP and UNODC offices with arms control-related activities covering the Western Balkans and within the Roadmap implementation. The 6 Western Balkans jurisdictions that are targeted by the MPTF include Albania, Bosnia and Herzegovina, Kosovo*, Montenegro, the Republic of North Macedonia and the Republic of Serbia. The project proposals should be submitted as per the template provided in Annex 1 (Project proposal narrative template), Annex 2 (Project proposal budget template), Annex 3 (Project Results Framework), Annex 4 (Risk Matrix) and Annex 5 (Multi-year Workplan) and should respond to the eligibility and evaluation criteria listed in the attached call for proposal document. The proposed budgets must use the UNDG budget categories (as per the Annex 6).

For more information on the MPTF implementation rules and regulations, please refer to the MPTF Operations Manual.

The project proposals should be submitted by 19 September 2019, CoB, Belgrade time via electronic correspondence to the following email address: seesac@undp.org.

*References to Kosovo shall be understood to be in the context of Security Council Resolution 1244 (1999).

What is Cookie?

A cookie is a small piece of data sent from a website and stored in a user's web browser while a user is browsing a website. When the user browses the same website in the future, the data stored in the cookie can be retrieved by the website to notify the website of the user's previous activity

How do we use cookies?

A visit to a this page could generate the following types of cookie.

Strictly necessary cookies

These cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies services you have asked for, like shopping baskets or e-billing, cannot be provided.

2. Performance cookies

These cookies collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works.

3. Functionality cookies

These cookies allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. For instance, a website may be able to provide you with local weather reports or traffic news by storing in a cookie the region in which you are currently located. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

4. Targeting and advertising cookies

These cookies are used to deliver adverts more relevant to you and your interests They are also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. They are usually placed by advertising networks with the website operator's permission. They remember that you have visited a website and this information is shared with other organisations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organisation.
