2020 results of the Western Balkans SALW Control Roadmap Trust Fund

In 2020, UNDP Offices in Bosnia and Herzegovina, and Kosovo*, and the UNODC Global Firearms Programme initiated the first four projects of the Western Balkans SALW Control Roadmap Trust Fund. These projects supported the Western Balkans authorities in the implementation of the Roadmap, and their contribution to the Roadmap goals.

The Western Balkans SALW Control Roadmap was established by UNDP, UNODC and the Multi-Partner Trust Fund Office, and is financially suppported by Germany, UK, Netherlands, Sweden, France and Norway. UNDP SEESAC ensures the Trust Fund Secretariat functions.

*For the United Nations Development Programme, references to Kosovo shall be understood to be in the context of Security Council resolution 1244 (1999). For the European Union, this designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.

*The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations or UNDP concerning the legal status of any country, territory, city or area or its authorities, or concerning the delimitation of its frontiers or boundaries.

This website is funded by the European Union. Its contents are the sole responsibility of UNDP SEESAC and do not necessarily reflect the views of the European Union.

Cookies on our web page

What is Cookie?

A cookie is a small piece of data sent from a website and stored in a user's web browse while a user is browsing a website. When the user browses the same website in the future, the data stored in the cookie can be retrieved by the website to notify the website of the user's previous activity

How do we use cookies?

A visit to a this page could generate the following types of cookie.

Strictly necessary cookies

These cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies services you have asked for, like shopping baskets or e-billing, cannot be provided.

2. Performance cookies

These cookies collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don’t collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works.

3. Functionality cookies

These cookies allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. For instance, a website may be able to provide you with local weather reports or traffic news by storing in a cookie the region in which you are currently located. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

4. Targeting and advertising cookies

These cookies are used to deliver adverts more relevant to you and your interests They are also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. They are usually placed by advertising networks with the website operator’s permission. They remember that you have visited a website and this information is shared with other organisations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organisation.

Cookie management

Cookies can be managed via the web browser settings. Please, see you browser help how to manage cookies.

On this site you can always turn cookies on/off on menu item “Cookie Management”.
