Join us for BMS7 side event “From the Western Balkans to the Caribbean – Regional Approaches to Arms Control”

UN Regional Centre for Peace, Disarmament and Development in Latin America and the Caribbean (UNLIREC) and SEESAC will organize a virtual side event **“From the Western Balkans to the Caribbean – Regional Approaches to Arms Control”** on **27 July 2021 from 13.00-15.00 EDT (19.00-21.00 CEST)**. The event will be held on the occasion of the 7th Biennial Meeting of States on the UN Programme of Action to Prevent, Combat, and Eradicate the Illicit Trade in Small Arms and Light Weapons in All Its Aspects.

Representatives from the Western Balkans and the Caribbean, implementing partners and donor community will speak about the vision, goals and targets of the Western Balkans SALW Control Roadmap and the Caribbean Firearms Roadmap, the added value of this regional approach and some key lessons learnt from the processes.

The event will be organized via an online platform, adapting to the limitations posed by the COVID-19 pandemic.

Join us during the panel discussion by registering here.

About 7th Biennial Meeting of States

BMS7 will be held from 26 to 30 July 2021, in New York, bringing together member states, international organizations, non-governmental organizations and experts around the globe to consider the national, regional and global implementation of the Programme of Action (PoA) to prevent, combat and eradicate the illicit trade in small arms and light weapons in all its aspects and its International Tracing Instrument (ITI).

Cookies on our web page

What is Cookie?

A cookie is a small piece of data sent from a website and stored in a user's web browser while a user is browsing a website. When the user browses the same website in the future, the data stored in the cookie can be retrieved by the website to notify the website of the user's previous activity

How do we use cookies?

A visit to a this page could generate the following types of cookie.

Strictly necessary cookies

These cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies services you have asked for, like shopping baskets or e-billing, cannot be provided.

2. Performance cookies

These cookies collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works.

3. Functionality cookies

These cookies allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. For instance, a website may be able to provide you with local weather reports or traffic news by storing in a cookie the region in which you are currently located. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

4. Targeting and advertising cookies

These cookies are used to deliver adverts more relevant to you and your interests. They are also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. They are usually placed by advertising networks with the website operator's permission. They remember that you have visited a website and this information is shared with other organisations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organisation.

Cookie management

Cookies can be managed via the web browser settings. Please, see your browser help how to manage cookies.

On this site you can always turn cookies on/off on menu item "Cookie Management".
