

## Improving operational cooperation - 13th South East Europe Firearms Experts Network (SEEFEN)

On 17-18 November, SEESAC organized the 13th meeting of South East Europe Firearms Experts Network with more than 50 participants from Belgrade, Chisinau, Minsk, Podgorica, Pristina, Sarajevo, Skopje and Tirana as well as Regional Cooperation Council, DG HOME, EUROPOL, EMPACT, GIZ, Ministry of Interior of Republic of France, French Embassy in Belgrade, German Federal Foreign Office, INTERPOL, UNODC, FRONTEX and OSCE. During the two-day meeting, prosecutors, investigators, border and customs officials as well as ballistic experts shared local experiences and exchanged information about new modalities of firearms trafficking, but also learned more about different models and possibilities of international cooperation and support available. Among the main topics discussed were the organization of the South East Europe Joint Action Day, advantages of the usage of SIENA, possibilities of bilateral and regional cooperation in the framework of Countering Serious Crime in the Western Balkans - IPA 2019 project, control of the parcel deliveries and available software for the exchange among ballistic laboratories.

The 13th SEEFEN meeting was organized in the context of the implementation of EU Council Decision (CFSP) 2019/2111 of 9 December 2019, in support of SEESAC's disarmament and arms control activities in South East Europe reducing the threat of illicit small arms and light weapons and their ammunition and is contributing to strengthening cooperation and capacities for countering illegal arms possession and trafficking.

## Cookies on our web page

### What is Cookie?

A cookie is a small piece of data sent from a website and stored in a user's web browser while a user is browsing a website. When the user browses the same website in the future, the data stored in the cookie can be retrieved by the website to notify the website of the user's previous activity.

### How do we use cookies?

A visit to a this page could generate the following types of cookie.

#### Strictly necessary cookies

These cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies services you have asked for, like shopping baskets or e-billing, cannot be provided.

#### 2. Performance cookies

These cookies collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works.

#### 3. Functionality cookies

These cookies allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. For instance, a website may be able to provide you with local weather reports or traffic news by storing in a cookie the region in which you are currently located. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

#### 4. Targeting and advertising cookies

These cookies are used to deliver adverts more relevant to you and your interests. They are also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. They are usually placed by advertising networks with the website operator's permission. They remember that you have visited a website and this information is shared with other organisations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organisation.

### Cookie management

Cookies can be managed via the web browser settings. Please, see your browser help how to manage cookies.

On this site you can always turn cookies on/off on menu item "Cookie Management".
