South East Europe Regional Implementation Plan

Combating the Proliferation and Impact of Small Arms and Light Weapons

*Empowered lives.
Resilient nations.*

- Devised and implemented under the framework of the Stability Pact and revised under the Regional Cooperation Council (RCC);
- Does not seek to subsume or contradict existing agreements and arrangements but to build upon them in the most practical way possible;
- Provides an updated strategic and operational framework taking into consideration the new evolved context.

*Empowered lives.
Resilient nations.*

Goals:

- ☐ Continue the development of a comprehensive and coherent approach towards harmonization with international regimes and the EU security policies;
- ☐ Aim to provide for sustainable change;
- ☐ Provide support to the institutions of the region;
- ☐ Continue to foster knowledge and advance good practices.

*Empowered lives.
Resilient nations.*

Overall Strategy:

- Continue with the development, implementation and monitoring of national SALW strategies;
- Continue to work together to increase transparency on national SALW policies and share information and best practices;
- Base strategies on a continuous assessment of the SALW situation;
- Support a national-level entity to provide policy advice and coordinate and monitor the implementation of policies and strategies;
- SEESAC and the RCC will continue to encourage donors to consider funding specific projects;
- The processes will take place under the RCC framework;
- Particular attention to be paid to gender perspective in all activities.

*Empowered lives.
Resilient nations.*

Specific Measures:

- Cross border controls;
- SALW management;
- Legislative and administrative capacity;
- SALW collection programmes;
- SALW destruction programmes;
- Regional cooperation on arms transfers;
- Transparency and accountability;
- SALW awareness and communications strategy;
- Gender mainstreaming.

*Empowered lives.
Resilient nations.*

Implementation:

- Implementation mechanisms:
 - SEESAC;
 - Regional Steering Group;
 - National Focal Points
- Implementation process;
- Funding requirements;
- Linkages to other initiatives.
