MICRO AND MACRO LOCATION

*The Armed Violence Monitoring Platform tracks firearm incidents in the Western Balkans and the Republic of Moldova.

**Other/Unknown, as a separate category under the Types of Firearm incidents, refers to suicides, shootings under undetermined circumstances, non-hunting-related shooting of animals, undetermined explosions, weapons used for defence, and all other incidents that cannot be classified under any of the categories above.

***Undetermined shootings refer to any firearm discharge under unknown circumstances and motives, regardless of whether or not such an incident caused damage, injury or fatality.
