OVO JE MONSTRUM S VMA KOJI JE PIŠTOLJEM PRETUKAO SUPRUGU! Plastični hirurg uhapšen jer je ukazao rođenu ženu: Polomio joj rebra i ruku i ranije bio NASILAN (FOTO)

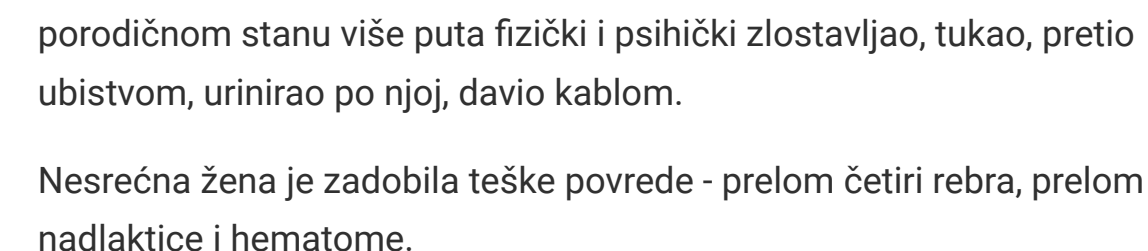

U stanu se nalazila njegova supruga 42-godišnja I.O. takode zaposlena u Ministarstvu odbrane i njihovo troje maloletne dece. Žena je imala vidne povrede, podliva ispod oba oka.

Kako nezvanično "Blic" saznaje žena je prvobitno izjavila da je došlo do verbalne rasprave između nje i supruga, ali je negirala da je muž tukao, navodno je rekla da su povrede glave nastale pre dve nedelje.

Kolima Hitne pomoći pretučena žena je prevezena u KBC Zemun, gde su joj utvrđene teške telesne povrede.

Obavljen je razgovor i sa N.O. koji je negirao da je tukao suprugu i potvrdio verbalnu svađu između njih. Od nasilnika je oduzet pištolj u legalnom posedu, kao i pištolj njegovog brata. O slučaju nasilja je obavestena Vojsna policija.

Pretučena žena je naknadno izjavila da je suprug od početka godine u porodičnom stanu više puta fizički i psihički zlostavljao, tukao, pretio ubistvom, urinirao po njoj, davio kablom.

Nesrećna žena je zadobila teške povrede - prelom četiri rebra, prelom nadlaktice i hematome.

Po nalogu Trećeg OJT-a u Beogradu, N.O. je određeno zadržavanje do 48 sati, zbog nasilja u porodici.
