<b>SEESAC FUNCTIONAL AREA</b>	<b>FA 4 - SALW Awareness and Communications Strategy</b>
<b>SEESAC OPERATIONAL ACTIVITY</b>	<b>SG 2 - Co-ordination Measures SG 3 - Information Management and Exchange Activities SG 7 - Training Activities</b>

#### BACKGROUND

The Belgrade-based South East Europe Clearinghouse for the Control of Small Arms and Light Weapons (SEESAC), supported by UNDP and the Stability Pact, was mandated to fulfil, among others, operational objectives of 1) sharing information on and enhancing co-operation in the establishment and implementation of SALW control and reduction programmes and approaches among regional actors; and 2) providing linkage and co-ordination with the other relevant regional initiatives.

One means of contributing to the achievement of these objectives has been by attending and making formal presentations at relevant regional SALW related training events, conferences and seminars. SEESAC input for the second six months of 2004 is summarised below.

Separate activity reports have been produced for SEESAC funded or supported NGO and Media training seminars.
